GENERAL NOTES

1. Enlarged from A-103. The party wall can only be opened between y 3.80 and 7.18, so the living, dining and kitchen occupy that whole band as one 10.60 m wide room and form the only link between the two blocks.

2. Bedroom 1 and its ensuite take block B, with openable east windows above +3.00. The ensuite is entered from the dressing room, and the dressing room from bedroom 1.

3. Block A carries the entry hall on the front door, with the guest WC, the store, the family bath and its passage off it, and bedroom 2 at the light court beyond.

4. No room on this floor is entered through another.
